

*Continuing the seemingly endless and endlessly seamy saga of
beer in the wild west.*

And So...

This year's Washoe Pines Oktoberfest went off as planned. A slightly smaller, yet imminently more manageable crowd showed up and fested into the evening.

Thanks to all those who cooked (the deep-fried turkey was fabulous, as was the generous supply of Berm Mike's Sausages) and to all those who brewed and brought beer: the Home Brewers and Penny, who supplied us with a nice keg of Great Basin Brewing Co.'s Ichthyosaur Ale (Icky to *you*, pal...).

Thanks again to the Washoe Piners for letting us keep them up late....
