

Continuing the seemingly endless and endlessly seamy saga of beer in the wild west.

And So...

The faithful gathered once again at the home of Jill and Chris Whitbeck for a festive display of culinary excess. Chris treated us to a sampling of his wide selection of brews, from bocks to Belgians. Great turnout, great kitchen!

Chris' beer engine was given a good workout, with his best bitter on tap.

Thanks again to the Whitbeck's for their generous hospitality!

Coming Up!

Come Lads and Lassies to Dave's and Barb's to witness the true tradition of the Irish.

Bring your own Irish dish, (or Italian, French, just bring something!).

So Please stop by and have a pint or three.

Love, Dave and Barb
