## Last Month

Dave & Barb's

It turned out to be Tom's birthday! The birthday pie missed Tom's face and ended up being enjoyed by the dogs instead. Good thing there were not any candles on it!

Plenty of food arrived along with plenty of people. Bourbon and Scotch took over in the latter part of the meeting, as did basketball. What were the final scores, Dan?

## This Month

Jeff and Karen's Firefest

Back to the normal meeting time this month. As usual bring your best grub and beer. **If you have a beer that was extract brewed (at least 50% of the fermentables from extract), let's**

**sample it to see if it will represent the club in the next Club-Only Competition.**

## News

### AHA National Homebrew Competition

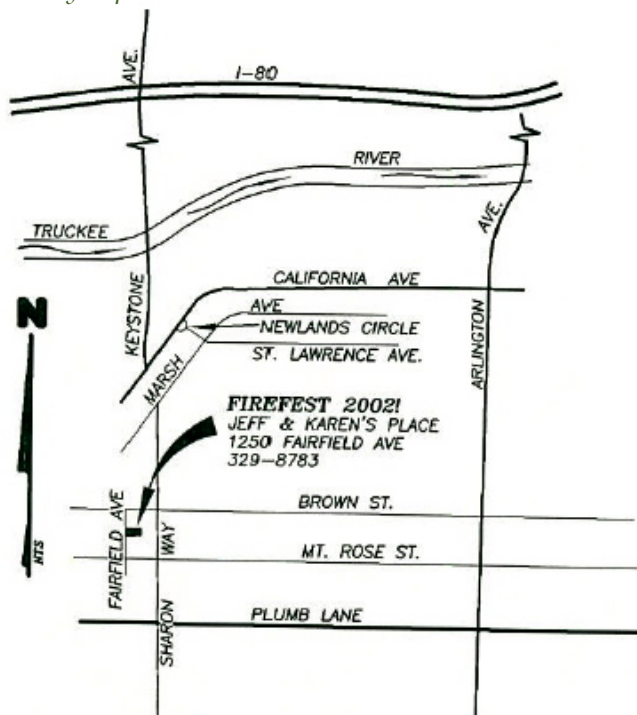

The annual American Homebrewer's Association National Homebrew Competition entries are due on the 15th of April. The club will pay for shipping on all entries submitted by WZZ members in good standing. You still have to pay for your own entry fees, but hey!, that ain't too bad. The caveat: you must have all of your entries

ready to be shipped from the Reno Homebrewer by the 9th. You can bring them to the meeting that evening if you would prefer, but they will need to be properly labeled and reasonably contained for transport back to the shop.
