## Last Month

Jon & Marilyn's

Yeah, I'm not sure about that address. Sorry to those of you who may not have figured out that the house was on Whittaker. We need to fire the guys managing the club database and writing the newsletter!

The party was good enough to get the WZZ meeting officially broken up by the police. If only we had followed Robert's Rules of Order.

So if you missed the event, you missed another great Frank-n-Stein. If you were there, no need to give you the rundown on the evening.

## This Month

Joe and Lisa are opening their doors to the rabble-rousing horde and the WZZ club. The door to the stone oven, that is, so stay in line! Note the date change to the third weekend of the month and the same for September.

Joe and Lisa will have the basics for pizza (dough, some cheese, and sauce), so bring your

own gourmet toppings (or sauces to try, etc.). Also bring your homebrew.

## Bubbling to the top

Absolutely the last call on the BJCP exam to be held in Reno this September. If you did not receive an email from me on the 17th of June, please contact me by email at [jctull@gmail.com](mailto:jctull@gmail.com) ASAP.

The rumors of my departure have been greatly exaggerated.

In fact, I am here to stay it appears, so nya-nya to those who thought they

were getting rid of me. Of course, I am still happy to pass along the newsletter editing to a willing soul. For the rest of you, especially those taking pictures at meetings, send me something to put in the newsletter! Otherwise you get more of this:

This is ridiculously lame filler material. It has no value other than to make the page look more full and me more verbose. If you don't like it, see above. If you actually read this far, honk your car at exactly 4:27 PM on the 2nd of July when driving to work. If you ride a bike, make your rear tire squeal in a skid, like when you were ten and all bad-ass, also at 4:27 PM on the 2nd of July. Over and out!

## Pizza and Beer

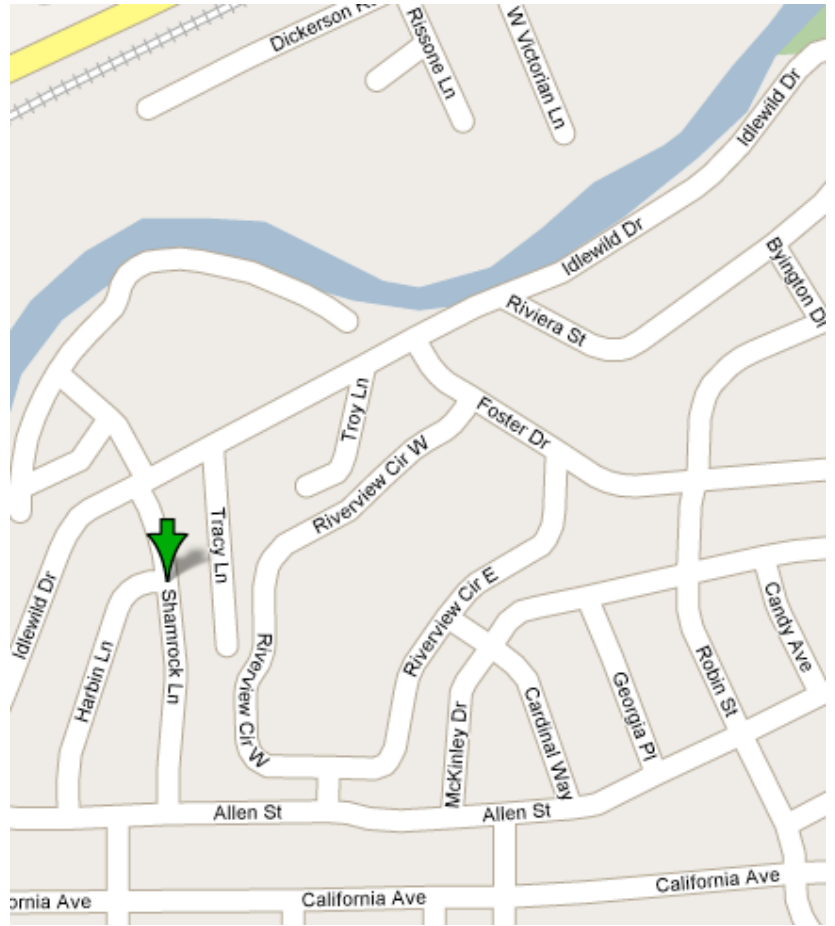

Join Joe, Lisa, Caleb, and Joshua with the WZZ gang at 6 PM with food and beer to share.

500 Shamrock Ln

Reno, NV

Saturday, August 21st, 2007
