Joe & Lisa's

Unfortunately, this was one that I had to miss, so all comments are based on second- and third-hand reports, so the facts may be contested.

I heard something about girls from Brazil, but in my road-weary haze, it may have been "Boys from Brazil." Perhaps a movie with pizza this year?

Despite my absence and confusion on the facts regarding the event, I am sure the beer and pizza were wonderful! Thanks again to the Morandi's for their graciousness.

This Month

Marlene and I are playing host to the August meeting on the 18th. Even though my new employer has had me on the road 3 of the last 4 weekends, I have managed to broker a deal that will keep me in town for our meeting. Part of the bargain included an invitation to the August meeting, but I am sure he will fit in nicely with our wide-

ranging membership (or we can all fake it).

This meeting is old-school, so bring yourself, some beer, and a dish for the potluck.

Bubbling to the top

Plans for a BJCP exam this fall have been scrapped due to my new commitments with work. I am hoping to settle in and be able to offer, along with Tom Baldwin, a study course sometime early next year with an early spring exam date. I will let everyone know once I sort things out.

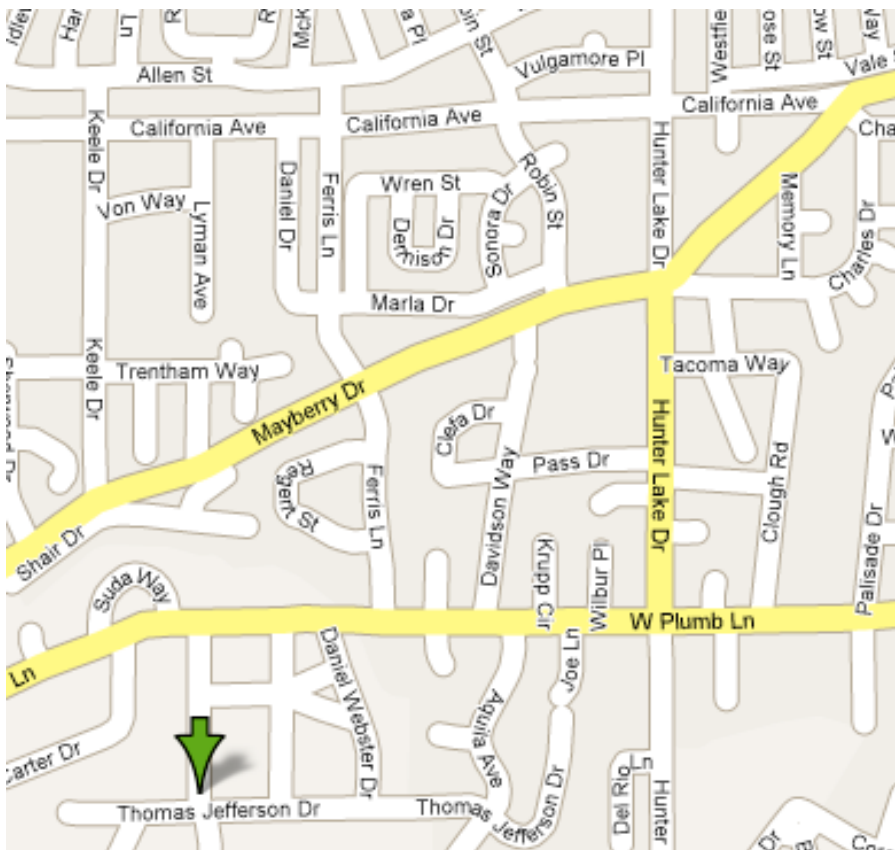

Note that the NCHF will be held on 5-6 October this year. You can register online nowadays at <http://nchfinfo.org/register.html>

If you are not a web user, you can still get a copy of the registration form from Rob at the Reno Homebrewer. If you don't use the web, and you don't go to see Rob, then you are out of luck. I look forward to seeing the regular crew plus any newcomers in Dobbins this fall. It will be a good time as always.
