Spring Fling

I received no update on last month's meeting so there is nothing to report.

Frank-N-Stein

This month's meeting will be Tom Baldwin's annual Frank-N-Stein held on June 20th. Tom always has a great selection of homebrew for everyone to sample. Please, as usual, bring a dish to share and some homebrew to pass around.

I attended the Frank-N-Stein 2 years ago, at a different location, and we had a great time, quality and abundance of food and homebrewed beer, what more can you ask for?

NHC Info

If you are attending the National Homebrew Conference in Oakland and would like to donate any kegs of your homebrew, please drop off any beer to the Reno Homebrewer by Tuesday June 17th by closing time. Jeff Current will be picking up any kegs on the 18th and transporting them to Oakland for Club Night and the Hospitality Suite partially hosted by the WZZ. Hope to see you there
