THE BRIDE OF...

NHC Happennings

Frank-N-Stein, of course. It might be the morning after as reports indicated that our host supplied over 20 kegs of homebrewed beer!! Tom needs to stop helping at the Homebrew shop, it leads to an unstoppable force, buying more brewing supplies and ingredients to brew even more.

Thanks Tom for all the effort you put in to the Frank-N-Stein, I know I appreciate it even though I couldn't attend this year.

I've included a couple pictures, thanks to Susan's sister Dana.

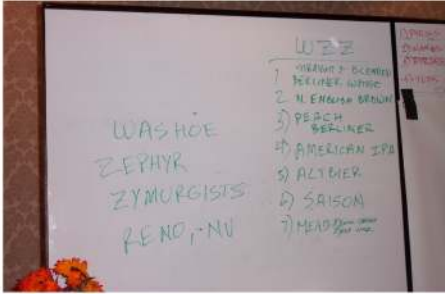

At the National Homebrew Convention in Oakland the WZZ were represented by Kevin Cox, Jeff Current, Joe Herman, Dan Bailey, John Tull and Mike McCowen. John Tull was also the Director of the National Competition.

The club hosted the Hospitality Suite before "club night" started. We had 7 beers on tap and were serving as fast as they could be handed out, along with Joe Herman's mead samples. The 6 of us contributed most beers and Jason Green contributed one of his American IPA's. Good job guys and special thanks to Jeff for his setup and hauling work and to Rob Bates for setting us up with all the equipment to serve.

Green Strong Beer

We have a change of venue for the July meeting, Jason and Ronnie Green will be hosting this month's meeting July 18th at the normal time 6 pm. Jason has quite a few beers on tap and will have a vertical tasting of some of his cellared Russian Imperial Stout and Barleywine. Bring along some similar examples, homebrew and a dish to share.
